ANNUAL REPORT 2022-23

With the benign blessings of Guru Hargobind Sahib, the magnificent edifice of GHG Khalsa College, Gurusar Sadhar, was established in 1948. The foundations of the college date back to the 1920s, when with the visionary dream of Nihang Shamsher Singh Ji, a ‘Gurumukhi Pathshala’ was started on this place which was once considered to be a waste stretch of land. This impetus over the years evolved into the present day degree college, a ‘Wonder in Rural Hinterland’. The purpose behind its establishment has always been to cater to the higher educational needs of the rural population with the motto of ‘Simple Living & High Thinking’. Presently, this great institution caters to more than 2000 students in multi-disciplinary courses, at both graduate and post-graduate level. The sprawling campus spreads over 30 acres of land and includes Nihang Shamsher Singh Hall, Dhillon Open Air theatre, Nihang Shamsher Singh Stadium, Sardar Sardara Singh Sports Complex, Six-a-side Hockey Astro-turf, State-of-the-art indoor Shooting Range, indoor multipurpose gymnasium, faculty houses, Guru Hargobind boys hostel, Mata Ganga girls hostel, an ultra-modern Seminar Hall, student center, a well-stocked Library, up-to-date Laboratories, a beautiful Administrative Block, and high-tech education dissipation mediums. The beauty and grandeur of the institution is further enhanced with well-kept lawns, sprawling grounds, fountain and pollution free atmosphere. The institution is the right blend of traditional values in modern era, with its unique ability to make steady yet tremendous progress with respect to the changing education scenario. Initially, only conventional subjects of science and arts streams were offered, but with the passage of time, advanced subjects along with vocational training were also introduced. The M.P.Ed. course was started in 2017 after the approval of National Council of Technical Education (NCTE). Additionally, the college has started providing sports training in Archery, Canoeing, Kyaking and Rowing. The college is, thus, making progress by leaps and bounds under the able and judicious guidance of S. Manjit Singh Gill, President, College Governing Council, who is an educated, versatile and a dynamic personality having a deep and far-sighted vision.
