Sir, we are privileged to have your gracious presence on today's Prize Distribution Ceremony.

Dear Audience, this day offers me a chance to present before you the remarkable achievements of our students in pursuing excellence. Gathered here today are promising future teachers, who have reached a milestone in life and are looking forward to new challenges ahead. We are glad to have parents amongst us, who

always support their children with unfailing and selfless love; and educators who are passionate and tireless in leading and nurturing their students.

INTRODUCTION

Founded in 1921, G.H.G. Khalsa College of Education has a proud heritage of excellence and innovation. This prestigious institute is blessed as it stands in the name of the Sixth **Guru HarGobind Sahib Ji**, who donned the swords of Miri-Piri that symbolize spiritual and temporal authority. The story of its growth from a small institution in the pre-independence India to a well established ‘Seat of Learning’ of the present times is a saga of dedication, conviction and vision of Late Nihang Shamsher Singh who worked against all odds and saw it growing step by step. This pious place was converted into Gurmukhi Pathshala in 1921 which he preferred to call a college. The Pathshala flourished into a High School by the year 1928 and with his untiring efforts an intermediate college was started in 1948 which became a degree college later on.

It was in the year 1955 that the present **G.H.G Khalsa College of Education** came into being and the herculean task of training the ‘Nation Builders’ was started with the establishment of B.T and a sanctioned strength of 100 seats. The College attained the stature of post-graduate institution with the inclusion of M.Ed. in 1982.

At present, the college has strength of **100 seats for B.Ed.** and **50 for M.Ed.** course. It is permanently affiliated to Panjab University, Chandigarh, is recognized by the N.C.T.E and has been accredited with **Grade ‘A’** (i.e. Very Good College) by NAAC i.e. National Assessment and Accreditation Council, Bangalore an autonomous body of U.G.C, Govt. of India.

The college has contributed a lot to this area by producing thousands of professionally qualified male and female teachers. The college motto “**Man Neevan, Mat Uchi**” clearly reflects its goals and mission. The main aim of the college is to produce well-informed, skilled and effective teachers for secondary schools and Colleges of Education. Besides **producing ‘teachers’ for Secondary Schools**, and **‘lecturers’ for Colleges of Education**, we are also producing **‘Principals’ for Colleges of Education**. It is interesting to note that

15 Colleges of Education in Punjab have Principals from this college. Now, this college is also known as “**NURSERY OF PRINCIPALS**”.

Research and Teaching mesh together seamlessly - one is incomplete without the other. Keeping this in mind, research activities are given due importance in our college. Majority of our staff members are guiding research work at Doctorate and Post graduate level and are engrossed in academic activities of high esteem.

The college is an institutional member of Council for Teacher Education (CTE) and life member of All India Association of Educational Research(AIAER).

Envisioning a global society, the college curriculum is imbued with a distinct international perspective, with this farsighted vision the college has achieved many milestones and has made a significant standing at National and International levels.

We encourage our prospective teachers to keep themselves abreast with changes taking place across the globe and prepare themselves for global citizenship.

Concluding Thoughts:

With the blessings of God, we come to the dusk of the current session and I now, close the account of achievements of this session. Before leaving the dais as I thank Thee' for His blessings, I would like to extend my heartfelt gratitude to all our collaborators, esteemed faculty members, Librarians, Office Staff and other supporting staff members who contribute to various developmental activities to take place in the campus. I express my indebtedness to all who in their own way have helped in raising the institution where it stands today.

Dear students, my deep felt thanks to all of you. I am sure that our collective endeavor shall take our College to greater heights in serving the society in a meaningful and positive manner. My whole hearted thanks to all parents and alumni who have been in touch with us during the year and their valuable suggestions helped us to improve. I look forward to your continued support in our march towards excellence.

I also extend my good wishes to the final year B.Ed and M.Ed students, as you are ready to launch in the world full of competition and pressures, I wish you all the success, may you achieve remarkable positions in life and make us proud.

And thank you very much to our distinguished guests on the dais and off the dais for gracing this day with your presence. Finally, I thank God Almighty for sustaining and guiding this institution.

I also would like to thank our Management, especially S. Manjit Singh Gill, President, Governing Council, for his unstinting support, in all our endeavors for the development of our students and raising quality of education.

“Your life will never make sense until God is in it. Accept him as your personal savior and you will have the strength to be content in all you go through.”

Thank you!
