Worthy Members of the Faculty and Vibrant students,**

Heartiest Greetings!

I am really privileged to have the pleasant task of welcoming Chief Guest of today's  
Graduation Ceremony,

## INTRODUCTION

Founded in 1921, G.H.G. Khalsa College of Education has a proud heritage of excellence and innovation. This prestigious institute is blessed as it stands in the name of the Sixth **Guru Har Gobind Sahib Ji**, who donned the swords of Miri-Piri that symbolize spiritual and temporal authority. The story of its growth from a small institution in the pre-independence India to a well established 'Seat of Learning' of the present times is a saga of dedication, conviction and vision of Late Nihang Shamsher Singh who worked against all odds and saw it growing step by step. This pious place was converted into Gurmukhi Pathshala in 1921 which he preferred to call a college. The Pathshala flourished into a High School by the year 1928 and with his untiring efforts an intermediate college was started in 1948 which became a degree college later on.

It was in the year 1955 that the present G.H.G Khalsa College of Education came into being and the herculean task of training the 'Nation Builders' was started with the establishment of B.T and a sanctioned strength of 100 seats. The College attained the stature of post-graduate institution with the inclusion of M.Ed. in 1982.

At present, the college has strength of 200 seats for B.Ed. and 35 for M.Ed. course. It is permanently affiliated to Panjab University, Chandigarh, is recognized by the N.C.T.E and has been accredited with **Grade 'A'** (i.e. Very Good College) by NAAC i.e. National Assessment and Accreditation Council, Bangalore an autonomous body of U.G.C, Govt. of India consecutively for two accreditation cycles (CGPA-3.04 in cycle -I and CGPA-3.30 in cycle -II)

The college has contributed a lot to this area by producing thousands of professionally qualified male and female teachers. The college motto "**Man Neevan, Mat Uchi**" clearly reflects its goals and mission. The main aim of the college is to produce well-informed, skilled and effective teachers for secondary schools and Colleges of Education. Besides **producing 'teachers' for Secondary Schools, and 'lecturers' for Colleges of Education**, we are also producing **'Principals' for Colleges of Education**. It is interesting to note that 15 Colleges of Education in Punjab have Principals from this college. Now, this college is also known as "**NURSERY OF PRINCIPALS**".

Research and Teaching mesh together seamlessly - one is incomplete without the other. Keeping this in mind, research activities are given due importance in our college.

Majority of our staff members are guiding research work at Doctorate and Post graduate level and are engrossed in academic activities of high esteem.

The college is an institutional member of Council for Teacher Education(CTE) and life member of All India Association of Educational Research(AIAER).

Envisioning a global society, the college curriculum is imbued with a distinct international perspective, with this farsighted vision the college has achieved many milestones and has made a significant standing at National and International levels.

We encourage our prospective teachers to keep themselves abreast with changes taking place across the globe and prepare themselves for global citizenship.

### **Concluding Thoughts:**

**As I close this glimpse of the remarkable journey of Session 2017-18 I would like to express my gratitude to the teaching and non-teaching** faculty members and my dear students who have toiled hard during this session and made this session, a historical session, with memorable achievements.

I also would like to thank our Management, especially S. Manjit Singh Gill, President, Governing Council, for his unstinting support, in all our endeavors for the development of our students and raising quality of education.

I would also like to thank the Alumni Association for their continual support.

My dear young graduating friends as you leave this campus for the final time today, leave knowing that we are all proud of you, impressed by you and that we believe in you and that we are counting on you to do your best with what you have been given, to build your own lives, to help your families, your neighbors, and your communities and to use your talents, whatever they may be, for the public good. And no matter where you go in your life no matter where you end up be confident in yourselves and be proud. Congratulations to each of you.

Thank you and I wish you all the very best!!
