

GUIDELINES FOR AUTHORS

GHG Journal of Sixth Thought aims at rapid publication of research papers. The review process may take 2-3 weeks. If due to special circumstance the review process takes longer, authors will be informed by email. Manuscripts with social/educational significance will be reviewed and published at the highest priority and speed.

Please use the following rules for whole text, including abstract, keywords, heading and references. (Please read all points carefully)

General rules for text:

Page setup

1. Margins: 1 Inch (2,54 cm) on all sides (top, bottom, left, right)
2. Font Size and Type: 12-pt. Times New Roman font
3. Line Spacing: Single space throughout the paper, including the title page, abstract, body of the document, references, appendixes, footnotes, tables, and figures.
4. Alignment: Justified
5. Orientation: Portrait
6. Page size: A4

Preparation of text:

Title: 14 pts, uppercase and lowercase letters bolded and centered Name and personal information (academic title, institutional affiliation and e-mail address, contact number) should be placed under the title.

Abstract: (100-200 words) should include the following: objectives, tools, method, results and conclusion. The abstract must be written in Times New Roman, Font Size 10 and Italic.

Keywords: up to 5 key words, Times New Roman, Font Size 10 and bolded.

Spacing: Between abstract and main text, you should leave two empty lines.

Subdivision of the article: The papers should be structured in title and subtitle sections and should be numbered: 12 pts, alignment left (the abstract is not included in section numbering). Between title section and main text one empty line should be left.

Introduction paragraph: It should include meaning and reviews of related literature in brief. Paper should not include review of literature under the separate caption (Heading). The end lines should clearly reflect about the rationale and need of the study.

Objectives of the study, Method, Sample and sampling techniques, Procedure, Measures, Result and Discussion

(Only those tables and graphs should be included which are essential. Tables and graph should be followed by brief discussion. Tables and figures should be text wrapped and must be numbered, please use for the tables Times New Roman 10pts.)

Conclusions

Implications
