

INFRASTRUCTURE

College : Infrastructure & Facilities

Laboratories :

The College has 18 modern and efficiently managed laboratories for conducting practical work. As pharmacy is a technical course which deals with all aspects of drugs and medicine, so, all the laboratories are well equipped with latest equipments, instruments and machines.

Sophisticated Instruments :

The college boasts of having sophisticated analytical instruments like HPLC, FTIR, Ultrasonicator, HPTLC, Double beam spectrophotometer, Chromatotron, Rotaevaporator, Projection microscope and many more.

Computer Lab :

The air-conditioned Computer lab provides access to sophisticated softwares and high speed internet to students and staff. We also have a well stocked central store room loaded with chemicals.

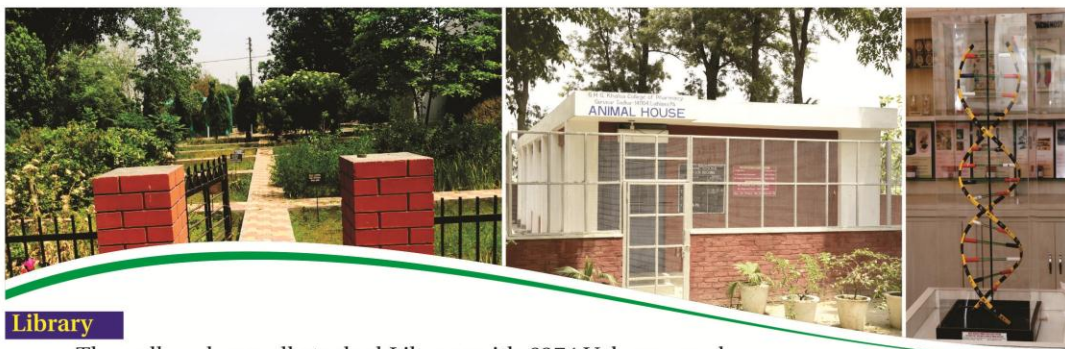

Classrooms :

The classrooms are spacious, well lit and airy. The classrooms are well furnished and equipped with projectors to assist in audio-visual mode of teaching.

Audio Visual Facilities :

The institution houses a fully air-conditioned, aesthetically designed, seminar room and conference hall equipped with LCD Projector, Overhead Projector, Whiteboard, Sound System and Wi-Fi facility.

Library

The college has well stacked Library with 6374 Volumes and 2250 titles of books. The library has subscription to 36 periodicals, out of which 28 are national and 8 are international journals. Also, 23 e-journals, 45 CDs, 65 thesis, 06 general magazines and 11 newspapers are available in the library. E-Books INFLIBNET- (PHARMACY) facility is available with over 60,000 books. The College also has library at departmental level, so that student can easily make access to books of specific subjects.

Animal House

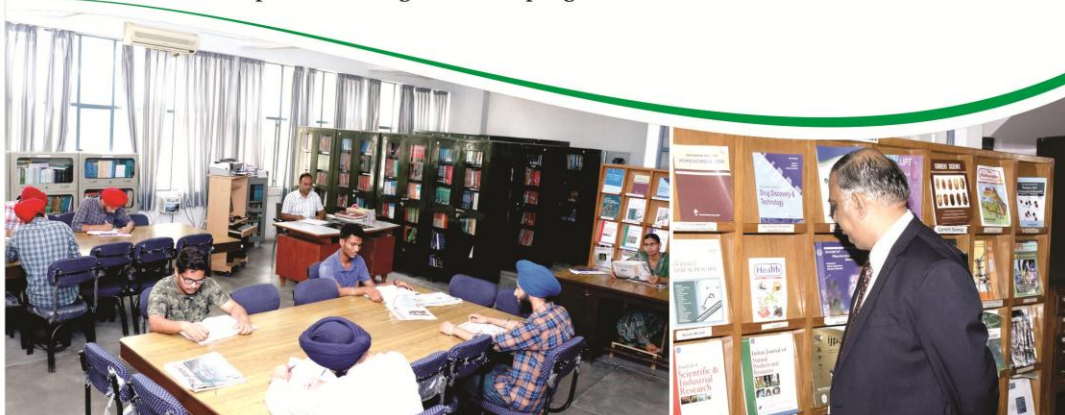

The college animal house has facility of housing different species of animals. The animal house is duly registered with “Committee For the Purpose of Control and Supervision of Experiments on Animals (CPCSEA)”, Government of India, to ensure the ethical and human use of animals.

Medicinal Plant Garden

The college has well maintained medicinal plant garden. It contains a number of medicinally important plants. It provides a green, peaceful and eco-friendly environment in the campus.

Museum

The college has a museum which displays items from all disciplines of pharmacy. It includes samples of natural drugs and different dosage forms. Various models, permanent slides, herbarium sheets and apparatus are also displayed in the museum. The exhibited pieces of the museum are used as the part of existing education program.

Room Description	Number	Capacity	Dimensions with area (Sq. m.)
GROUND FLOOR (FIRST THREE STOREY ACADEMIC BLOCK)			
Office	101	Adequate	17
Principal room	102	Adequate	34
Pantry	103	Adequate	17
Office	104	Adequate	17
Museum	105	Adequate	34
