ENVIRONMENTAL POLICY

GHG Khalsa College commits to provide a safe, healthful workplace, protecting the environment, conserving energy and natural resources. With these policies in place we believe that we can achieve a healthy and safe environment. We are committed to do and we will:

- Provide a safe and healthful workplace for all.
- Be an environmentally responsible neighbour in the community where we operate, and correct incidents or conditions that endanger health, safety, or the environment.

Conserve natural resources by adopting pollution prevention practices.

Develop and improve operations to minimize waste, and other pollution, minimize health and safety risks, and dispose of waste safely and responsibly.

- Ensure the responsible use of energy including conserving energy by giving preference to renewable over non-renewable energy when feasible.
- Participate in efforts to improve environmental protection and understanding.
- Establish procedures for periodic review of environmental compliance with all laws and regulations.
- Establish procedures to ensure all that employees are knowledgeable of, understand and comply with all applicable environmental laws and regulations.

- Promptly correct any practice or condition not in compliance with this policy.
