

GHG KHALSA COLLEGE, GURUSAR SADHAR(LDH)

## ENVIRONMENTAL POLICY

GHG Khalsa College commits to provide a safe, healthful workplace, protecting the environment, conserving energy and natural resources. With these policies in place we believe that we can achieve a healthy and safe environment. We are committed to do and we will:

- Provide a safe and healthful workplace for all.
- Be an environmentally responsible neighbour in the community where we operate, and correct incidents or conditions that endanger health, safety, or the environment.
- Conserve natural resources by adopting pollution prevention practices.
- Develop and improve operations to minimize waste, and other pollution, minimize health and safety risks, and dispose of waste safely and responsibly.
- Ensure the responsible use of energy including conserving energy by giving preference to renewable over non-renewable energy when feasible.
- Participate in efforts to improve environmental protection and understanding.
- Establish procedures for periodic review of environmental compliance with all laws and regulations.
- Establish procedures to ensure all that employees are knowledgeable of, understand and comply with all applicable environmental laws and regulations.
- Promptly correct any practice or condition not in compliance with this policy.
